**FUTURE SCHOOL BUILDING**

## PHASE I

## VISION

The primary aim of the school is to impart to its students a sound moral education based on the principles and values based on Indian culture and heritage, so as to develop their character and build future citizens of India. The school will take care to ensure a balanced growth of the students' mind, body and soul. The aim is to foster strict discipline moulded on the lines of Indian Heritage. Compassionate governance with constant search for excellence will be emphasised.

## OUR AIM

Our School shall aim for providing basic skills to students for their future so that they enjoy learning and have inquisitive minds. They will be motivated and made confident & independent. Our endeavour shall be to keep top nine aims of education always in mind as under:

1. Knowledge
2. Vocational
3. Character
4. Cultural
5. All-Round Development
6. Complete Living
7. Spiritual
8. Citizenship
9. Democratic.

Our education system seeks to mould children into well adjusted perfect individuals as worthy members of society. The purpose of teaching is to bring more and more out of an individual than to put more and more into him.

In every subject the child must feel a joy of discovery and creative activity.
