

Revving Up the Movement

Shri Bhagwan Das Agarwal
Trustee,
Urmiladevi Agarwal Trust &
Kanhaiyalal Mahadevi Singhal Foundation

Beyond business, service to society is at the core of our value systems. We are indebted to society, which has always given us so much in so many ways, and it is our duty to give back to society with our wealth, knowledge, and service.

Prosperity can only come with the prosperity of society. Our efforts towards this should be multidimensional—health care, education, and employment—to have a positive impact on the community and uplift the underprivileged.

Shri Purnamal Agrawal
Trustee,
MSP Foundation &
Kanhaiyalal Mahadevi Singhal Foundation

We belong to a socially responsible organisation and we are totally committed to investing in the holistic and sustainable development of our communities by creating an environment of trust, cooperation and mutual support.

MSP FELICITATING UNSUNG HERO'S

MSP Steel & Power Ltd has always tried not only to felicitate the unsung heroes but also to support them to achieve their dreams and passion.

When the country was celebrating the 75th year of Independence, MSP Foundation thought what a better way to celebrate independence than honoring the country's heroes for their success and supporting the heroes to chase their dreams. MSP Foundation felicitated Ms. Piyali Basak for her historic achievement of scaling Mount Everest without the support of supplemental oxygen. Ms. Piyali Basak is the 1st Indian woman to attain such a remarkable milestone.

MSP Foundation has supported her with an amount of Rs 5 lacs so that she can go further to achieve new heights.
